Re: Blenheim-Gilboa Pumped Storage Project, FERC No. 2685
Notification of Intent to File an Application for New License and Request for
Designation as Non-Federal Representative

Dear Mark E. Slade:

Thank you for notifying the Delaware Tribe of the above referenced project. Our review indicates that this project is located in Schoharie County, NY. This is considered to be an area that was not inhabited by the Delaware Tribe. As such, there is little potential that the project will have an impact on any Delaware cultural and religious sites. The Delaware Tribe of Indians has no particular objection to the proposal and we do not wish to be a consulting party in further negotiations concerning this project.

If you have any questions, feel free to contact this office by phone at (609) 220-1047 or by e-mail at temple@delawaretribe.org.

Sincerely,

Blair Fink
